We have a return engagement request from the Crystal Lake Dental Associates.....

Who can possibly forget the Halloween Candy Buy Back we appeared at last year at the Crystal Lake Dental office

This was that marvelous event where Dentist, Dr O'Neil, buys back candy from the kids and sends it all to the troops in Iraq—Last year we had coverage from our own Stew Cowen from 105.5 and this year we will have the paper there as well

The doctor wants us back because we had such a blast last year.

We set up our bikes and greeted all the kids who brought in candy.

This years event will be Nov 1st. from 11:00 to 3 PM

For the military minded that time is 01100 till 1500

We can get there and stage at the dentist office at 10:30---01030....or those that can't make it can come when they can and stay as late as they can..

If you don't stand behind our troops, feel free to stand in front of them.

Now Lisa, remember to tell Matter the candy is for the soldiers...Keep an eye on him 😊😊😊

Please God...Grant them courage, when times seem bleak. Grant them strength when they feel weak. Grant them courage, when they feel all alone. And most of all, God, Please bring them ALL home.
